California Department of Alcohol and Drug Programs
Licensed Residential Facilities AND/OR
Certified Alcohol and Drug Programs

Program Name:	The facility/program name
Legal Name:	The legal name of the entity having the authority and responsibility for the operation of the facility/program.
Address:	The facility/program address. The location where services are provided.
City/State:	Name of the city where the facility/program is located.
Record ID:	The identification number issued by the Department of Alcohol and Drug Programs (ADP), Licensing and Certification Branch (LCB), for licensed facilities or certified programs. The last digit tells if the facility/program is a nonprofit (N) or profit (P) entity.
Service Type:	<p>Indicates if the facility/program is:</p> <ul style="list-style-type: none">o RES - Indicates facility licensed by the Department of Alcohol and Drug Programs (ADP), the licensing authority for 24-hour residential nonmedical alcoholism or drug abuse recovery or treatment facilities serving adults.o DHS - Indicates facility licensed by the Department of Health Services (DHS), the licensing authority for medical alcohol and drug recovery or treatment facilities whose programs are certified by ADP. Typically, these are Chemical Dependency Recovery Hospitals.o DSS - Indicates facility licensed by the Department of Social Services (DSS), the licensing authority for 24-hour residential facilities for individuals in need of care and supervision whose programs are certified by ADP. Certification is a voluntary process.o DETOX - Indicates a free standing, 24-hour nonmedical detoxification facility licensed by ADP.o RES-DETOX - Indicates a facility licensed by ADP to provide

24-hour residential nonmedical alcohol and/or drug recovery, treatment, and detoxification services for adults.

- o NON - Indicates a nonresidential program which has voluntarily applied to ADP for alcohol and/or drug certification.
- o COR - Indicates the facility is under the jurisdiction of the Department of Corrections (locked facility) whose program is certified by ADP. Certification is a voluntary process.

Resident Capacity: Indicates the maximum number of residents authorized by ADP to receive recovery, treatment, or detoxification services at any one time in the residential facility.

Total Occupancy: Designates the maximum number of residential facility participants plus any dependent children, staff, or volunteers which may be housed in the facility. This occupancy is approved by the State or local fire authority.

Please note: The resident capacity and total occupancy are only indicated for licensed residential facilities. Certified nonresidential facilities show 0 as the resident capacity and total occupancy.
